Secretary to the Government of
H. H. the Maharaja of Mysore, Genl. and Rev. Deptts.,
BANGALORE.

Sir,

I have the honor to report that 6 candidates have been sent by the Malnad Improvement Committee, Shimoga District for training in the Vaccine Institute at Bangalore. Though in the Government Order No: 2459-67 Sany. 24-14 dated the 5th September 1914 sanction was accorded to the deputation of only 3 men at a time from each District 6 men were selected and sent from Shimoga as no proposals were at the same time received from the other two Districts in regard to the training of candidates and as there was accommodation available in the Institute for training 8 men. The 6 candidates were admitted for training from the 1st November 1914 and will complete their course by the end of current month.

2. As resolved at the first meeting of the Shimoga District Committee sanction may kindly be accorded to the entertainment of these candidates as additional vaccinators for the taluks of Sagar, Nagar, Thirthahalli Kumsi, Shikarpur and Sorab.

3. The Deputy Commissioner and Chairman, Malnad Improvement Committee proposes that in order to

to encourage the vaccinators in their work a bonus of one rupee to each vaccinator (including those already in service in the District) may be paid for every 25 persons vaccinated by him in excess of 100 performed in each month. Desirable as this arrangement may seem I cannot recommend it as the payment of bonuses in the manner proposed would involve the verification of every case of vaccination returned by the vaccinator. I am not at all sure that having provided an incentive for work in the shape of payment of bonuses the vaccinator would be particularly scrupulous to furnish accurate returns.

4. The Committee recommend that all vaccinators in the malnad area should work under the orders of the respective Amildars as suggested in Mr. Matthan's report. I regret I am unable to support this recommendation The present arrangement is working satisfactorily and no case has been made out for the transfer of the control of vaccinators from the Sanitary to the Revenue Department. Moreover, one of the Committee's own officers viz. the Sanitary Officer is in charge of the Vaccination Department in the District.

5. The question of providing each vaccinator with a suitable and complete outfit has been under consideration for some time and at my request the Superintendent, Central Jail and Officer in charge of the Vaccine Institute has designed an outfit estimated to cost Rs. 4-8-0. These outfits may be supplied to the vaccinators employed in the malnad portions of the Shimoga District; the cost being, as proposed by the Malnad Improvement Committee, met from the funds placed at their disposal. I enclose the estimate received from the Superintendent, Central Jail for the information
